SKILLS

- JavaScript
- Python
- HTML & CSS
- Adobe Light room
- Microsoft Office
- VCS(GIT)

- Bottle, Flask, Django Server
- Scala
- AJAX
- Microsoft Visual Studio
- BASIC & VISUAL BASIC
- C & C++

ACTIVITIES

I have extensive knowledge of JavaScript and Python. Self-taught myself HTML and CSS. Final Project based on JS and Python with a HTML page hosted on codenvy.io . Project included connecting to an API by sending HTML GET requests and retrieving live stock trading data from IEX trading API. Displaying it on a HTML Page with help of candlestick and OHLC graphs.
